A Message from Chief Cheryl Sears About Campus Safety.

The Los Rios Police Department is responsible for the safety and security of all our students, staff, faculty and visitors on all of our campuses. But campus safety and security is a shared responsibility. We need your help. If you see or hear something unusual or suspicious, say something! And think about safety.

Please review the advice on this page, and take advantage of the many public safety-training opportunities we offer. If you are a manager or supervisor, encourage your employees to do the same, with release time as appropriate. We welcome your questions and suggestions on this topic.

Please send them to: police@losrios.edu. When the Los Rios community takes this shared responsibility seriously – we all help create an environment that fosters teaching and learning.

Chief Cheryl Sears
