Chancellor's Report:

ARC: ARC athletics finished the 2018-19 academic year ranked 5th in the state of California for overall excellence among community college sports programs. The recognition comes from the National Alliance of Two-Year College Athletic Administrators, which awards points to all 108 schools in the California Community College Athletic Association based on their team's final positions in post-conference competition. This continues an impressive run for ARC as the college has finished in the top ten for over a decade. While ARC is proud of its student athletes' victories on the playing field, the college is even more pleased with students' academic success. ARC student athletes consistently score higher than the general student population in grade point average, course success rates, and other measures. A major reason is ARC's Dusty Baker Student Athlete Center, which provides a "one stop shop" of resources such as academic counseling, workshops, referrals to other campus services, and much more.

CRC: CRC hosted two districtwide celebrations last month to celebrate the academic achievements of students from all four Los Rios Colleges. The Native Student recognition ceremony commemorated the academic achievements of Los Rios Native graduates and transfer students. The event included an opening from Mary Tarango, a local Wilton Miwok Tribal Elder; a keynote by alumni Ben Cromwell; and an ancestral land acknowledgment reading by CRC's Faculty Counselor, Dr. Crystal Martinez-Alire. The evening also recognized CRC history professor, Dr. Jason Newman, for his years of service promoting Native student advocacy and fostering diversity in our campus community. Last month, CRC also hosted all four Los Rios colleges at the annual Honrando a Nuestros Estudiantes (Honoring Our Students) event. Faculty, staff, friends and families were on hand to celebrate the accomplishments of students that have earned a certificate and/or degree in the current academic year or are transferring to a four-year university. Students and family were recognized by keynote speaker, Dr. Manuel Alejandro Pérez, Interim Assistant VP for Equity & Community Inclusion & Chief Diversity Officer at San Francisco

State University, followed by cultural performances, music, and the presentation of certificates of accomplishment.

FLC: Folsom Lake College held its 16th annual commencement ceremony on May 22 at the Harris Center for the Arts celebrating one of its largest graduating classes to date. FLC’s Class of 2019 included 761 graduates earning 1,146 degrees and 736 certificates. 65% of graduates earned honors or highest honors recognition, with valedictorian recognition bestowed on sixteen members of the “Falcon” family, all having earned a 4.0 GPA. Valedictorian Kristina Greene, the daughter of FLC Mathematics Professor Calvin Greene, was selected to give the student address as part of the ceremony. Other highlights included: Alexander Ruvalcaba graduated with six degrees, while five other students received five degrees each; the Settle family made up four members of the graduating class with mother Susan and daughters Rebecca, Elise, and Corrinne all receiving degrees; and the oldest graduate was Douglas Stone at 69 years young receiving his degree in Interdisciplinary Studies: Math & Science.

SCC: SCC West Sacramento Center hosted the 5th Annual Kinders Go To College event on May 24. The event gives kindergartners at elementary schools in West Sac an opportunity to check out the West Sac Center and explore different fields of study, such as nursing and robotics. The idea is to get little ones excited about college. There were 114 kindergartners this year from Bridgeway Island Elementary, paired with 125 7th graders (who helped guide the younger students).

Wednesday I missed my final in HCD 83 class because it was an oral presentation and I could not speak as a result of profusely bleeding from my mouth. As a result of this I had to process a grievance.

I was unable to eat, drink, sleep, or even take my regular medications for high blood pressure and cholesterol on Thursday, Friday, and Saturday because of the bleeding.

May 30, 2019

Dear Dean Collins,

RE: Dental Clinic May, 13 and May 15, 2019

After our conversation I reflected on the treatment I received in the SCC Dental Clinic.

I suffered four days with uncontrolled bleeding in my mouth. I went to my dentist, Western Dental, May 16th I spent four hours waiting. I spent 30 minutes with the dentist including x-rays, and treatment. I went twice in the same day. On May 15 when the bleeding would not subside I went to Mercy General Hospital Emergency. The emergency room doctor advised me not to take any aspirin until all dental procedures are done. He also advised that I see my regular dentist the next day, which I did.

How this impacted me:

- I didn't sleep for 4 days.
- I wasn't able to eat for 4 days.
- For 3 days I did not take my cholesterol, 3 blood pressure medicines or aspirin because there was so much blood in my mouth swallowing pills or eating was not possible.
- I spent gas and time, which was even more impactful because it was during finals.
- I had to have additional dental work to complete the job that SCC Dental Clinic started
- My 13 granddaughter came to stay with me for the four days. She expressed concern asking "Granny are you gonna die, you can't eat, sleep, take your medicine and you're bleeding everywhere."
- I took my final exam in HCD 83 with severe pain and bleeding. I was not able to complete the final because a portion of the exam included an oral response.
- I haven't taken aspirin since May 16th after the emergency visit, per doctor orders, see statement above.

Other factors:

- On May 13, 2019, I informed the SCC Dental Clinic that I take aspirin and all other medications.

I'm requesting a monetary compensation of \$1500 for my pain, suffering and inconvenience.

Attached are four documents regarding my dental and medical visits. Also included is a note from Professor Grady commenting/commiserating on my physical condition.

Please advise as how to receive compensation.

Sincerely,

Yolanda Towns

BACKGROUND:

The Budget and Accounting Manual issued by the System Office requires that all separate bank accounts be "...presented to the governing board for its review and confirmation of continuing need." This is the annual report submitted to the Board for such approval.

STATUS:

There are forty (40) active accounts used by the district office, four colleges, and the centers. These accounts are necessary to carry out the many functions of the District. The various accounts include:

Demand Deposits:

Checking accounts and the Local Agency Investment fund (LAIF) are accounts in which the funds are available on demand by the District. LAIF is a pooled fund managed by the State of California for local agencies.

Clearing Account:

The District clearing account was established to handle direct deposits from the colleges and District office which are then sent to the Sacramento County Treasurer's Office.

Self-Insurance:

The District is self-insured for certain prescribed losses. Monies are held in the Sacramento County Treasurer's Pooled Investment Account and transferred to the District's Workers' Compensation and Liability/Property bank accounts to facilitate payments processed by third party administrators on behalf of the District.

Retiree Health Trust Account:

The Retiree Health Trust Account was established for purposes of investment and disbursement of funds irrevocably designated by the District to fund other post-employment benefits (OPEB).

Custodial Account for Securities:

Per Government Code 53601, public agencies purchasing securities are required to take delivery of the securities. This account is used for holding securities related to the Other Debt Service Fund.

Imprest Cash Accounts:

Imprest cash accounts are revolving accounts used at a variety of sites to facilitate petty cash transactions. Disbursements from these accounts are reimbursed from the appropriate district/college fund to maintain the imprest cash accounts at their predetermined levels.

Bookstore Operating Accounts:

Each college has a bookstore checking account for daily operations. The Local Agency Investment Fund is also used to maximize interest earnings.

Foundation Accounts:

The District and each college maintain checking accounts for the Foundation activities.

Student Association Accounts:

Each college maintains checking accounts for the Associated Student Body (ASB).

Authorized signatories will be changed, when appropriate, with the retirement or resignation of authorized employees.

RECOMMENDATION:

It is recommended that the Board of Trustees affirm the continuing need for the attached separate bank accounts used by the District.

BACKGROUND:

The Education Code regulates the procedures by which a Community College District can dispose of real and personal property. Education Code section 81452 provides that the governing board may, by unanimous vote, dispose of items valued at \$5,000 or less by private sale without advertising or selling the items at public auction. The District has held previous auctions, but they have generally cost more than they have netted for the District.

STATUS:

The District has a quantity of surplus materials that needs to be disposed of, such as outdated desks and computers. The District has located a scrap dealer who will take selected surplus items for recycling. Any items remaining will be disposed.

The surplus items to be recycled or disposed of are either irreparable, obsolete, in poor condition or not needed for district/college operations and include the following: 181 computers; 7 iMac's; 60 laptops; 1 load balancer; 1 Macbook; 152 monitors; 2 notebook PC's; 1 power supply; 5 printers; 3 scanners; 3 servers, 7 server racks; 8 storage shelves; 40 switches and 4 towers.

These items have a value of less than \$5,000.

RECOMMENDATION:

It is recommended that the Board of Trustees approve the disposal of the listed items per Education Code section 81452.

LOS RIOS COMMUNITY COLLEGE DISTRICT

PRESENTED TO BOARD OF TRUSTEES

DATE: July 10, 2019

SUBJECT:	Vice Chancellor and Deputy Chancellor Employment Agreements	ATTACHMENT: None	
		ENCLOSURE: None	
AGENDA ITEM:	Action Item A	TYPE OF BOARD CONSIDERATION:	
RECOMMENDED BY:	 Theresa Matista, Deputy Chancellor	CONSENT/ROUTINE	
		FIRST READING	
APPROVED FOR CONSIDERATION:	 Brian King, Chancellor	ACTION	X
		INFORMATION	

BACKGROUND:

Following the announcement of Deputy Chancellor Theresa Matista’s retirement effective August 10, 2019 a review was conducted regarding the distribution of responsibilities between the Deputy Chancellor position and the Vice Chancellor of Education and Technology. A primary determinant for the designation of Deputy Chancellor is the assignment of Human Resources responsibilities. Prior to advertising the Vice Chancellor of Finance and Administration, the responsibility for oversight of Human Resources was removed from the Deputy Chancellor position, and the position was reclassified to a Vice Chancellor.

The Vice Chancellor of Finance and Administration was advertised, and interviews conducted following District policies. Mario Rodriguez is the recommended candidate.

In addition, responsibility for Human Resources will transition from the current Deputy Chancellor, Theresa Matista to Dr. Jamey Nye effective August 12, 2019. With the change in scope, it is recommended that Jamey Nye’s current position, Vice Chancellor of Education and Technology be reclassified to Deputy Chancellor.

STATUS:

Upon completion of the inclusionary search process, it is recommended Mario Rodriguez be appointed as Vice Chancellor of Finance and Administration. Mario has a bachelor’s of science in Business Administration with an emphasis in Finance. He has extensive experience in community college finance and currently serves as the District’s Associate Vice Chancellor of Finance and Administration, a position he has held since September 2017.

The material terms of the recommended contract for Mario Rodriguez include:

- An initial term of two (2) years (July 11, 2019-June 30, 2021)
- A salary of \$200,513 (step 1, range B of the Management Salary Schedule)
- Health and welfare benefits
- Allowance of \$550/month for auto

Dr. Nye has extensive experience in Human Resource administration including his service as the Dean of Business and Family Science at Cosumnes River College, serving on negotiations, including serving on the LRCFT/LRCCD steering committee. The material terms of the recommended contract for Dr. Jamey Nye include:

- An initial term of three (3) years (August 12, 2019-June 30, 2022)
- A salary of \$237,473, (step 1, range C of the Management Salary Schedule, with 15-year longevity and doctoral stipend)
- Health and welfare benefits
- Allowance of \$550/month for auto

RECOMMENDATION:

It is recommended that the Board of Trustees approve the hiring of Mario Rodriguez as Vice Chancellor of Finance and Administration and the reclassification of Dr. Jamey Nye to Deputy Chancellor, including the material terms outlined above.
