This is the Association’s most prestigious award, recognizing student athletes who have overcome significant personal and/or family challenges and have succeeded in spite of all obstacles. Here are inspiring comments from both students: Natalie: "I walked through a valley that was filled with challenges, but I am no longer fearful. I am climbing a mountain, I am going to stumble, but I now have nothing to fear." Duquan: "For me, life is more about what you put into it rather than what you take out of it. My life will fully consist of trying to make this world a better place."

The faculty have revamped the program recently, updating and improving course content.
