INVESTING IN STUDENTS
TO HELP THEM ACHIEVE THEIR
ASPIRATIONS THROUGH EDUCATION

SUPPORTING FUTURE HEALTH AND SAFETY WORKERS IN A TIME OF CRISIS

The Promise to Career Scholarship helps get students from career education to a career in their field

What is the Promise to Career Scholarship?

The Promise to Career Scholarship gives direct support to students in the Los Rios Career Education Programs that are still on-ground during the 2020-2021 academic year. These are programs that have been deemed essential to addressing our region's current dual crises: the COVID-19 pandemic and devastating California wildfires.

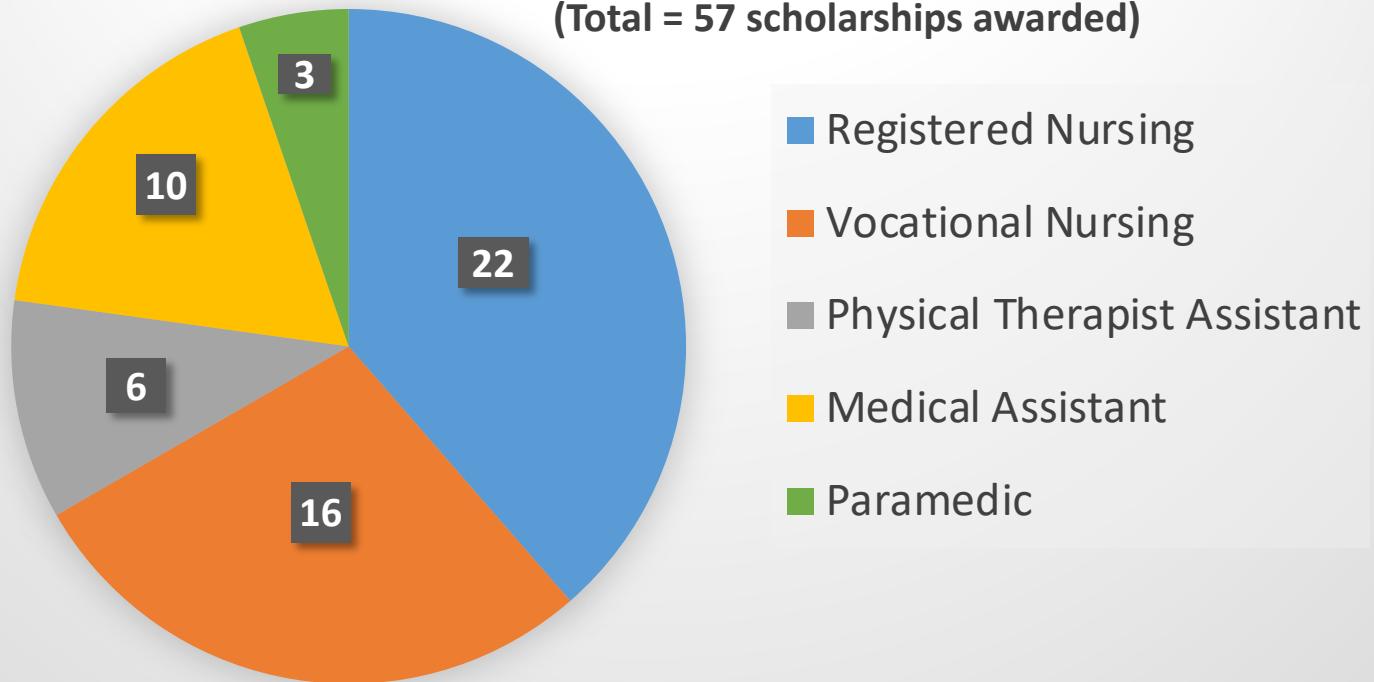

Examples of these programs include:

- Advanced Imaging
- EMT/Paramedic
- Fire Academy
- Funeral Services
- Occupational Therapy Assistant
- Nursing
- Physical Therapy Assistant
- Respiratory Care

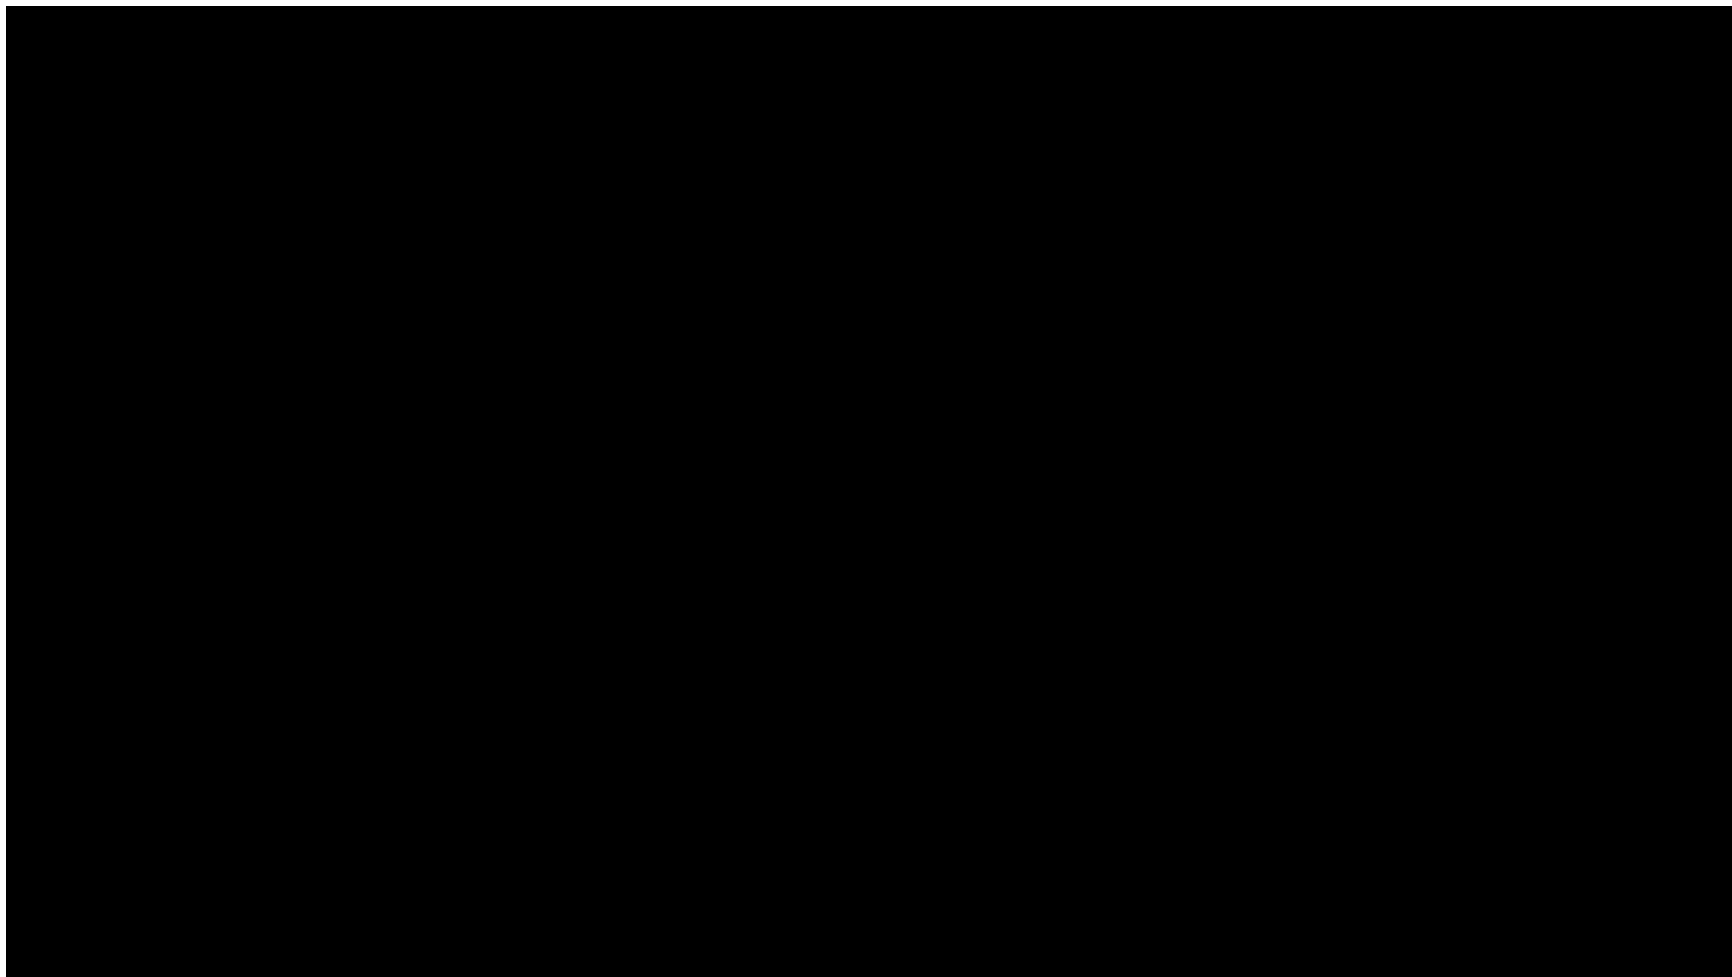

Campaign Goal: Help 200
graduating students with
scholarships for testing and
licensure

December/January Promise to Career Scholarships

(Total = 57 scholarships awarded)
