Inventory of Land

Planning

Los Rios Community College District (230)

List the address and acreage of every land unit owned by the district (Education Code 81821(e)). Please identify all locations, both on-campus and off-campus, grouped according to their "parent" institution. In the event the list is long or complicated, please substitute copies of college bulletins or other notices to the public which display similar information. The list should be current as of October the prior year.

Explain why this project is needed:

Modernize Davies Hall by replacing the old Davies Hall with a new building. The new Davies Hall will be the same assignable square footage (ASF) as the old building. The use of Davies Hall will also remain the same, primarily Instructional and Faculty Office. The new Davies Hall will be constructed on an adjacent building pad and upon completion the old building will be demolished. Approaching the project this way eliminates the need for swing space and minimizes the impact to students and faculty increasing the quality of instruction during construction phase.

Explain why this project is needed:

The Library Modernization project improves the old outdated and non-code compliant building and constructs a new modern, aesthetic and equitable Library Building in its place. The primary use of the building will remain the same; Learning Resource, Classroom, Lab and Office space. This modernization will improve the technology of these spaces and reconfigure spaces for improved circulation and access compliance. This modernization also upgrades old and unstable infrastructure in need of major repair/replacement.

Explain why this project is needed:

This project will modernize the Rodda Hall North building. The building was constructed in 1975 and has had no major renovations other than small tenant improvements in individual rooms. The existing HVAC, electrical and plumbing systems are old, outdated and energy inefficient. The building consists of modular style wall system which has become unmodifiable and unrepairable and contributes to poor acoustics and a depressing interior experience. The entire buildings assignable square footage (ASF) of 61,894 will be modernized and upon completion contain upgraded building systems, ADA accommodations and a student and staff experience matching the instruction delivered. The Facility Condition Index (FCI) for this building is 56.34 indicating a building in poor shape and needing renovation.

Explain why this project is needed:

The basic premise of the Los Rios Community College District's strategic plan is to provide access to higher education to all students who need it. Folsom Lake College's Educational Plan calls for continued development of programs in general education to meet the needs of the College's service area. Additional instructional and related space at Folsom Lake College is essential to meeting enrollment demands.
