COSUMNES RIVER COLLEGE

Given recent updates, CRC Student Services leadership and staff are regrouping, planning and preparing to serve students by appointment only beginning the week of August 16th.

FOLSOM LAKE COLLEGE

Andrea Fuentes, Classified Senate President

FLC Classified staff are gearing up for limited in person services. Most departments are set to open starting Tuesday, August 10th with a limited schedule. In order to ease fears and concerns, the FLC Classified senate and the Vice President of Administration lead a listening session where updates were provided from the Director of Operations on new cleaning and safety procedures. Questions were raised and answered to ensure classified felt heard during this session by our campus administration. Thank you to our FLC administration for addressing our concerns in this ever-changing pandemic climate and we look forward to continued collaboration.
