

LRCFT Report to the Los Rios Board of Trustees August 9, 2023

On behalf of the LRCFT, I want to thank the trustees and chancellor for agreeing to a 12% Retro and 8% COLA. Faculty are quite happy with these improvements, including the expansion of parental leave and part time faculty health insurance.

At the start of Fall semester, LRCFT will provide several training sessions on our new contract provisions, including chair compensation, and parental and catastrophic leaves.

Next week, LRCFT will join the Academic Senate and District for a welcome event to honor the new full time faculty hires.

In giving back to our membership, the LRCFT will once again be a major sponsor of the SCLC annual Labor Day picnic. We will also conduct a Membership drive during this academic year.

Local political races are heating up. The LRCFT PAFC recently interviewed 7 candidates for AD 6. Our PAFC voted to endorse Paula Villescaz. We will also hold interviews for AD 7, Sacramento mayor, city council, and supervisor races.

The LRCFT looks forward to continuing our partnership with LRCCD in this new academic year.

Thank you!

Jason Newman LRCFT President
