

FLC Classified Senate

Classified senate recently held a very successful classified retreat on March 19th . We were very fortunate to have Dr. Eric Gravenberg be our guest speaker and support us in our theme of Building Bridges by creating a strong foundation through teamwork and trust.

We also had Schools First Financial credit union participate in giving a brief presentation to our staff about their services and they sponsored our lunch that day. We are very grateful for Dr. Eric Gravenberg's and Schools First generosity in supporting our classified staff.

We are all busy planning for commencement coming up and finding creative ways to have fundraisers so that we have funding to do more classified events for our staff.
