District Academic Senate
DAS President Lori Petite

- Congratulations, welcome, and welcome back to Dr. Torence Powell, our new Chancellor! On behalf of the District Academic Senate, we are excited to welcome you as the tenth chancellor of the Los Rios Community College District.
- Milestones and transitions such as this provide rich opportunities for us to reflect and reset. As we reflect, we are inspired by the unique personal history you have with our district that has helped to shape and inform your vision, approach, and concern for our students. As we reset, we look forward to your leadership here. We look forward to collaborating with you as we face an educational environment that is experiencing rapid change, challenges, and opportunities. We look forward to a new era of collegial consultation on academic and professional matters as we work to improve the educational outcomes for our students. Whether it is related to transfer degree programs, career education, dual enrollment, non-credit opportunities, or other 10+1 and shared governance areas, the Academic Senate is ready to work with you.

- Congratulations again, many thanks to our Board of Trustees for making your appointment, and best wishes to our entire district as you begin this new role. Thank you.
