DESIGNATION OF SUBCONTRACTORS - BID FORM

In compliance with the provisions of section 4100 through 4114, inclusive, of the Public Contract Code, and any amendments thereto, each bidder shall set forth in his or her bid, the name and location of the place of business of each subcontractor who will perform work or labor or render service to the prime contractor in or about the construction of the work or improvement, or a subcontractor licensed by the State of California who, under subcontract to the prime contractor, specifically fabricates and installs a portion of the work or improvement according to detailed drawings contained in the plans and specifications, in an amount in excess of one-half of 1 percent of the prime contractor's total bid and the portion of the work which will be done by each subcontractor under this act. The prime contractor shall list only one subcontractor for each portion as is defined by the prime contractor in his or her bid. Where no subcontractor is listed for any portion of the work listed, the prime contractor represents that he/she is competent, experienced, licensed and equipped to do that portion of the work and that it will not be subcontracted. **Contractor shall verify that each subcontractor has registered and paid a fee to the Department of Industrial Relations pursuant to Labor Code section 1725.5.***
