**NOW, THEREFORE**, in consideration of the mutual promises herein contained, the parties hereto agree as follows:

I. Definitions.

"Agreement Year" means each twelve-month period beginning with the first day of the Term.

Thus, in the event that: (i) if the College District is currently self-operated, the College District switches to a Food Service Provider, or (ii) if the College District currently uses a Food Service Provider to operate its concessions, such agreement between the College District and the current Food Service Provider expires or is terminated, and the College District enters into a new arrangement with a Food Service Provider; then any such new or subsequent agreement between the College District and any Food Service Provider (pursuant to either (i) or (ii) above) shall require such Food Service provider to abide by the applicable pricing and other terms set forth in this Agreement to the exclusion of all other benefits, and shall specifically require such Food Service Provider to affirm that it will not be entitled or seek to receive any funding or other benefits/consideration in connection with any agreement such Food Service Provider may separately have with Pepsi or Pepsi's affiliates. In the event that the College District fails to adhere to this requirement (or the Food Service Provider refuses to abide accordingly), then College District hereby authorizes Pepsi, and Pepsi shall be entitled to adjust its pricing, funding or other consideration provided to the College District by an amount equal to the incremental costs incurred by Pepsi as a result of the College District's change in Food Service Providers.

Equipment requiring frequent maintenance must be replaced upon written request of the College District. All Equipment that accepts credit cards and/or debit cards as payment must meet all PCI compliance standards. All Equipment must meet state and federal accessibility standards for the disabled. 6. Each Year during the Term, the College District will provide Sponsor with up to ten (10) complimentary tickets to each athletic event conducted on College District Campuses - as reasonably request by Sponsor from time to time.

(B) College District recognizes that Sponsor has paid valuable consideration to ensure an exclusive associational relationship with the Campus, College District and/or the College District Marks and College District's athletic teams ("Teams") with respect to Beverages and that any dilution of diminution of such exclusivity seriously impairs Sponsor's valuable rights. Accordingly, the College District will promptly oppose Ambush Marketing (as defined below) and take all reasonable steps to stop Ambush Marketing and to protect the exclusive associational rights granted to Sponsor pursuant to this Agreement. In the event any such Ambush Marketing occurs during the Term, each party will notify the other party of such activity immediately upon learning thereof. As used herein, "Ambush Marketing" an attempt by any third party, without Sponsor consent, to associate Competitive Products with the Campus, College District, the College District Marks and/or Team, or to suggest the
